Section 1. PURPOSE AND OVERVIEW

The purpose of this Annual SB165 Compliance Report (“Report”) is to provide the trustee (“Board”) with an overview of Community Facilities District No. 2020-1 Improvement Area 1 (“CFD No. 2020-1 IA-1”) of the Beaumont Unified School District (the “School District” or “District”). This analysis was performed by Special District Financing & Administration, LLC (“SDFA”) as the Special Tax Consultant and CFD Administrator to the District in conjunction with District staff.

A. SUMMARY OF AUTHORIZING LEGISLATION

The Mello-Roos Community Facilities Act (“Act”) of 1982 came about as a response to the lack of adequate financing for public capital facilities and services in the post-Proposition 13 Era. State Senators Mello and Roos sponsored this Bill, which was enacted into law by the California Legislature and is now Sections 53311 through 53368.3 of the *California Government Code*. The Act, as amended, authorizes a local governmental agency, such as a school district or city, to form a Community Facilities District (“CFD”) within a defined set of boundaries for the purposes of providing public facilities and/or services. A CFD is formed for financing purposes only and is governed by the agency that formed it. Funding is provided through the levy of voter-approved special taxes. The Act also provides that multiple agencies can join together through a Joint Community Facilities Agreement (“JCFA”) to form one CFD.

Section 2. SUMMARY OF FORMATION PROCEEDINGS

Community Facilities District No. 2020-1 IA-1 was formed in September 2020 to finance authorized school facilities. The property within CFD No. 2020-1 IA-1 was originally included within Community Facilities District No. 2018-1 IA-2 and IA-3. The previously formed special districts were modified in September of 2020 and the property within now are included within CFD No. 2020-1 IA-1 and Community Facilities District No. 2020-1 IA-2 (which is not the subject of this Report).

A. FORMATION PROCEEDING ACTIONS

The following table provides a summary of actions taken by the Board of Trustees of the School District to form Community Facilities District No. 2020-1 IA-1:

Appendix A contains the first page of the originally adopted and recorded boundary map for Community Facilities District No. 2020-1 and applicable County of Riverside Assessor Parcel Maps for CFD No. 2020-1 IA-1.

C. AUTHORIZED FACILITIES

At the time of formation, a Special Tax Report is prepared which identifies the permitted use of the special tax funds collected and the proceeds from the issuance of debt. Additional formation documents, as well as documents adopted at the time of the issuance of debt, may add additional specifics. The repayment of any issued debt is made from the special taxes levied within CFD No. 2020-1 IA-1.

The Special Tax Report for Community Facilities District No. 2020-1 which covers each improvement area states that the types of facilities (“School Facilities”) permitted to be funded includes, but not by way of limitation, School District facilities consisting of the planning, engineering, design, acquisition, construction, lease, improvement, and/or financing of interim and permanent facilities, including classrooms, multi-purpose facilities, administration and auxiliary space at School District facilities as

reasonably determined from time to time by the School District to be necessary to accommodate the student population to be generated as a result of development, including the property within CFD No. 2020-1, during the term of the Special Taxes as follows:

- (a) TK-12 school sites and facilities, including lease rental payments therefore related to the acquisition of land, or interests in land required for the construction of such on-site or off-site facilities, including, but not limited to, buildings, appurtenances, athletic fields, playgrounds and recreational facilities and improvements thereto, landscaping, access roadways, drainage, sidewalks and gutters and utility lines, as well as portable or relocatable buildings or interim additions to existing buildings at such School District facilities.
- (b) Modernization, rehabilitation, relocation and expansion of existing School District facilities and related infrastructure.
- (c) Central support, administrative facilities, special education facilities and transportation facilities, including, but not by way of limitation, buses and vehicles.
- (d) Furniture, equipment and technology, including technology upgrades and mobile devices and infrastructure therefore, with a useful life of at least five (5) years at such School District facilities.
- (e) The costs attributable to planning, engineering, designing, leasing, financing, acquiring, expanding, relocating, rehabilitating, or constructing (or any combination thereof) of School District facilities (including, without limitation, construction management, inspection, materials testing, and construction staking); any "debt," as defined in Government Code Section 53317(d), the costs to issue and sell any such debt (including, without limitation, underwriters discount, appraisals, market studies, reserve fund, capitalized interest, bond counsel, special tax consultant, bond trustee or fiscal agent, bond and official statement printing, and administrative expenses of the School District and/or CFD No. 2020-1), and all other incidental expenses.

Section 3. DEBT-ISSUANCE INFORMATION

After a CFD is formed and an acceptable amount of development occurs, the CFD may issue debt with the approval of the Board acting as the legislative body of the CFD. Many different types of debt may be issued, such as Special Tax Bonds or Certificates of Participation. The repayment of the debt is the obligation of the CFD and is not an obligation of the School District.

In June 2022, Special Tax Bonds were issued. The following table provides issuance information for the CFD No. 2020-1 IA-1 2022 Special Tax Bonds:

TABLE II

Section 4. DEVELOPMENT AND FISCAL STATUS

A. CURRENT DEVELOPMENT STATUS

CFD No. 2020-1 IA-1 is fully developed with a total of 222 dwelling units. The last dwelling unit was issued a building permit in September of 2021 which fully developed CFD No. 2020-1 IA-1 for the Fiscal Year 2022/23 levy. Since formation, no parcels have prepaid their obligation.

B. FISCAL OVERVIEW

The special tax rates proposed to be levied in the coming fiscal year are presented to the Board annually and are set at an amount adequate to meet annual debt service requirements, cover administrative costs and fund school facilities directly from special taxes as authorized in the Rate and Method of Apportionment of Special Tax adopted at formation.

Appendix B provides a report of the funds collected and expended for Fiscal Year 2021/22. Appendix C contains the status of school facilities construction and funding which was authorized at the time of formation. This information is presented in compliance with SB165, the "Bond Accountability Act" which was codified in Government Code Sections 50075.1, 50075.3 and 50075.5. Appendix B also contains additional information which complies with Government Code Section 53343.1. The requirement to comply with Government Code Section 53343.1 is only applicable if requested by a person who resides in or owns property in CFD No. 2020-1 IA-1. To date, this information has not been requested, but is being provided here for transparency purposes.

Section 5. ADMINISTRATIVE OBLIGATIONS

This section of the Report overviews administrative obligations under which the School District has an obligation to comply.

A. CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION (“CDIAC”) REPORTING OBLIGATIONS

California Government Code requires that a report entitled, Yearly Fiscal Status Report, be filed with the California Debt and Investment Advisory Commission (“CDIAC”) each October for debt issued after January 1, 1993, as well as posted on the School District website on or before January 31st. In addition, CDIAC also requires an Annual Debt Transparency Report to be filed each January for debt issued after January 1, 2017. The outstanding Beaumont Unified School District CFD No. 2020-1 IA-1 2022 Special Tax Bonds issued in June 2022 are subject to both the filing of the Yearly Fiscal Status Report and the Annual Debt Transparency Report. The School District is in compliance with this requirement and such report is available on the School District’s website at <http://www.specialdistricttransparency.com/busd/>.

B. SECONDARY MARKET REPORTING REQUIREMENTS (RULE 15C2-12)

Secondary Market Reporting Requirements are applicable to certain debt issues dated after July 3, 1995. The Beaumont Unified School District CFD No. 2020-1 IA-1 2022 Special Tax Bonds issued in June 2022 are subject to this requirement. The School District is in compliance with this requirement and has timely posted the required data onto the Municipal Securities Rulemaking Board website, “EMMA” (Electronic Municipal Market Access) as required.

C. NOTICE OF SPECIAL TAX TO HOMEOWNERS

In accordance with Section 53340.2 of the Government Code, an agency will designate an office, department, or bureau to establish procedures to promptly respond to inquiries concerning current and future estimated tax liability. For purposes of enabling sellers of real property subject to the levy of special taxes to satisfy the notice requirements, the designated party will furnish a Notice of Special Tax to any individual requesting the notice within five (5) business days of receiving a request for such notice. The local agency may charge a reasonable fee for this service not to exceed ten dollars (\$10.00). SDFAs are the direct contact to comply with all requests for this notice as well as general questions regarding CFD No. 2020-1 IA-1.
